Lanarkshire Carers Centre

PAMPERING SERVICE

Family Carers can access the above from our offices within 46 Campbell Street, Hamilton (Monday to Wednesday) and every Friday from McClymont House, Gallowhill Road, Lanark.

Claire (Beauty Therapist – Hamilton) and Paula (Beauty Therapist – Lanark) can offer both beauty and holistic therapies.

This service is not just open to Carers but any member of the public, however Family Carers get the treatments at a concession price, £5 for ½ hour treatment and an £10 for an hour treatment.

The carers who access this service at the moment, find it invaluable and it really helps them to de-stress and have some “me time”.

If you would like to book an appointment or you have any questions, please telephone 01698 428090.
